Tips & Tricks for a Smooth Celebration

Punctuality is key! Please arrive exactly at your scheduled time. If you're early, we kindly ask you to wait outside. For drop-off and pick-up, if parents bring children individually, please arrange pick-up outside to keep things smooth.

We recommend **2 accompanying adults**, maximum 4.

Bring your own cake! Decorations are welcome, too – just remember that candles aren't allowed.

Preload your music on your phone – reception can be patchy in our basement location.

We're happy to **dispose of your wrapping paper** after gifts are opened.

Group Responsibility

You are responsible for the children in your group!

Please keep an eye on them outside of the game and the party room, as we'll also be hosting other groups and adult players. Our location is not suitable for running, hiding, or loud play.

Fresh Popcorn

Whether you prefer the sweet temptation or the salty delight, you have a choice with us! For just **€ 3.00 per person**, you can enjoy fresh, crunchy popcorn to give you the energy you need for the challenges in the room.
